Dear Parents/Carers,

Welcome back to Term II. We have a very busy term, especially with our production 'Aladdin' happening at the end of term. The children are looking forward to their performances on June 22nd, 23rd and 24th. Please note that information about ticket sales will follow shortly.

Over the holidays, Miss Rhiannon Cullum married her fiancé Hayden Micallef – we hope they have a long and happy life together. We welcome back Mrs Rhiannon Micallef. This week we welcome back from Maternity Leave Mrs Nicole Azarnikow (Wellbeing Leader) and Mrs Samantha Karigpolou (JPS Class teacher on Thursday and Friday). We also welcome Miss Ellen Carroll – full time teacher in SLS. We also welcome Miss Madelyn Byrne (Teacher Aide) to St Paul's. Mrs Amanda Gallus continues to remain on leave this term. Miss Ellen McKitterick will take Visual Arts classes this term. We hope to welcome Amanda back to St Paul's in Term III.

This Sunday, April 25th, we commemorate Anzac Day. This date is the anniversary of the day Australian and New Zealand soldiers landed on Gallipoli in 1915 as part of the Allies' invasion. Anzac Day is a time for us to recognise more than 1.5 million men and women who have served Australia in all conflicts, wars and peacekeeping operations. It's also a time to remember some 102,000 Australians who lost their lives as a result of that service.

School photos will be taken tomorrow, 20th April. Each child should have their own order form that was sent home last term. Please note that SchoolPix no longer accept cash payments for photos. All orders need to be made online. Family photos need to be booked online by 8.00am tomorrow – otherwise they will not be taken. Children will need to be in their full summer school uniform. If they have PE tomorrow, they will need to bring their runners to school to change into.

Please note there will be no school for children on Friday 28th May as all staff will be participating in a Writing professional learning activity.

I hope you all have a great week.

Yours sincerely,

Damian Casamento

Australian
Childhood Anxiety
TREATMENT STUDY

Free home-based
assessment and treatment for
7 to 12 year old children with
fear and anxiety disorders.

Does your child become very afraid of certain
situations or objects, worry about a lot of things,
get very distressed, or try to avoid things they fear?

About the study

Our team at Griffith University may be able to assist
you. We are conducting a nationwide study that
includes the following services at no cost to families:

- A thorough assessment of your child's anxiety with a trained psychologist via the telephone;
- Your child receiving one or two kinds of home-based treatments delivered on a PC, laptop or tablet; and
- Two follow-up telephone assessments with a trained psychologist 6- and 12-months after treatment to track your child's progress.

The study aims to find out if these two treatments are
as effective as each other, and which children have
the best response to each kind of treatment. This will
mean that there are more evidence-based treatments
available for helping anxious children.

About the treatments

Each treatment involves your child completing
treatment sessions at home on a PC, laptop or tablet.

Each treatment involves your child learning practical
strategies to better manage anxiety.

- One treatment helps children learn to control the focus of their attention on helpful things around them.
- The other treatment helps children learn to think differently and approach things they fear.

Each treatment includes information, telephone or
email support for parents in assisting their child to
better manage anxiety.

Prior studies have shown that children who complete
each treatment experience significant reductions
in anxiety.

This study is being funded by the National Health
and Medical Research Council and is led by Professor
Allison Waters and a team of experts in childhood
anxiety disorders.

MacKillop
Family
Services

For some children, school isn't an easy
place to be. Many find it hard because
beyond the school gate they're dealing
with some tough issues: family violence,
neglect, living out of home or social and
emotional challenges.

MacKillop Family Services needs to raise \$250,000
to continue and grow their use of therapy dogs to
support kids who've experienced
abuse, neglect or other
childhood trauma.

Help vulnerable kids in
Victoria to connect with
education and succeed
at school, donate on
Wednesday 28 April and have
your donation tripled.
