Dear Parents/Carers,

Welcome to the 2026 school year! I extend a special word of welcome to the new families to St. Paul's and hope that your association with our school community will be a long and happy one. On February 17th, we will celebrate the Lunar New Year – it is the Year of the Fire Horse. We wish those who celebrate the Lunar New Year all the best for the year ahead.

Congratulations to Miss Melissa Dvorscak and her fiancé Michael on the safe arrival of their daughter Florence on Thursday 15th January. Congratulations also to Mr Vaughn Steward and his wife Vessi on the safe arrival of their son Victor on December 28th. We look forward to meeting Florence and Victor in the near future!!

Every year is a very busy year – 2026 will be no different. We have school camps, plenty of excursions and whole school celebrations. In particular we have our Art Show on September 10th – more information will follow later in the year. We also have a school review in 2026 - the review involves two parts. The first part is a School Improvement Review on May 11th and 13th and the second part is a compliance review on September 3rd. Please note there will be no school for children on April 1st and 2nd as staff will be preparing for the School Improvement Review and updating their First Aid skills. This will be the end of Term 1.

In 2026 we welcome Mrs Teagan Desmond back to St. Paul's after parental leave. We also welcome to St. Paul's School Ms Tara Curry, Miss Eliza Dean, Miss Maddy Byrne, Miss Rachel Hanley, Miss Stephanie Rixon (Class Teachers) and Ms Sheree Punchon (Catholic Care Counsellor). I know Teagan, Tara, Eliza, Maddy, Rachel, Stephanie and Sheree will be warmly welcomed by everyone in the St. Paul's School Community. We are very excited for Maddy and Eliza as they became engaged over the holidays – we wish Maddy and Lachlan, and Eliza and Tom, all the very best for the future.

All children should be wearing the St. Paul's hat during Term I. Any students not wearing the hats will be required to sit in the shade. No other hats are permitted to be worn.

I look forward to working with you all during 2026.

Yours sincerely,

Damian Casamento

We would be very grateful to have your assistance even if it can be for only a couple of hours per week. Please see Marlene or Jacqui in the canteen if you can help.

ANAPHYLAXIS

There are several children at school who suffer from allergic reactions to various forms of food, plants, bites and stings. The Australian Society of Clinical Immunology and Allergy (ASCIA) does not recommend the banning of particular items. This is based on the premise that for school age children, an essential step is to develop strategies for avoidance in the wider community as well as at school. All staff have undertaken anaphylactic training and will have it renewed this term. The school has a thorough policy, action plan and procedures for each child, including first aid response and medication storage, to ensure the wellbeing of all students. Please visit www.allergy.org.au for more information.

BEFORE SCHOOL CARE

The yard is supervised from 8.25am every morning. Parents are asked not to send their children to school before this time. Class teachers are at school but they are unable to supervise children because they will be preparing for the day's activities. Before School Care Program operates every morning. Parents who need to drop off their children early will need to use this service. Kylie Hayes, Irije Demeri and Ms Sarah Tanveer are the co-ordinators of the program. They can be contacted on

In accordance with the Privacy & Data Protection Act 2014 (Vic), Copyright Act 1968 (Cth) & Education Department guidelines, members of the school community are restricted to only photograph / video their children. These images must not be published on social media or in any other form without the prior consent of parents & guardians whose children may unintentionally appear in the images.

Note: The school does not own or control any photographs or video taken by members of the school community or invited guests.

SWIMMING SPORT

If you have a child who is a member of a swimming squad you may wish to nominate them for the Maribyrnong Division Swimming Sports on Tuesday March 10th at Brimbank Aquatic Centre, 90 Taylors Rd, Keilor Downs, VIC 3038. Your child is able to nominate for two individual events. You will need to be able to transport your child to and from the event. Please see Mr Chris for more information.

OPERATION SCHOOLS BACK

Local Police together with members of the Highway Patrol are running an operation to mark the start of the school year. Operation Schools Back will target the safety of students arriving and departing school with the major focus being the enforcement of the 40kmph school zones. Motorists are asked to be vigilant before and after school as there will be increased pedestrian, road and pushbike traffic. Please allow an extra 5 minutes to find a safe and legal park to ensure your children's safety.

STARTING SCHOOL: THE EARLY WEEKS

Your child might need some support when school starts. Here are some simple things you can do to help these first few weeks go smoothly:

Try to drop off your child at school before the bell goes in the morning. Also pick your child up on time. If you're late it could make your child feel very anxious.

- If [your child is worried about being separated from you](#), look for ways to distract your child at school drop-off. For example, you could try meeting a friend at the gate or walking to school with another child and parent.
- Make after-school time a bit special, with a snack and time for you and your child to chat.
- Be patient if your child wants to blurt out every little detail about school, or clams up completely. You could try saying something like, 'Tell me one good thing about your day', rather than asking a lot of questions.
- Be flexible with snacks and meals. Your child will probably be very hungry after school. If you give your child a small, healthy snack straight after school, it'll help to keep them going until dinner.
- Don't expect too much academic progress too soon. If your child is happy and seems to be enjoying school, that's a real achievement. The rest will come later.
- Remember that it's common for children to play with many different children and also to play on their own sometimes. It takes a while before they settle into a group of friends.
- If your child doesn't seem to be settling well, or tells you about teasing or bullying, speak to your child's classroom teacher.
